Subject: Proposed NSCID No. 7, with Voting Slip for Consideration

1. Enclosed is the proposed NSCID No. 7, dated 23 December 1947, which has been compiled by an interdepartmental committee in lieu of the proposed NSCI Directive 2/6 of 30 October 1947, which was circulated in mimeograph form at that time.
2. The ad hoc Committee established on 20 November 1947, to redraft the proposed National Security Council Intelligence Directives under the Security Act of 1947 to replace the former NSA Directives, decided that the proposed NSCI 1/6 of 30 October 1947 should be redrafted in the enclosed form as NSCID No. 7.
3. It would be appreciated if the attached voting slip could be returned promptly so that this proposed directive may be submitted to the National Security Council at a very early date. In view of the fact that this proposed directive has been compiled by an interdepartmental working committee in consultation with the intelligence chiefs of the respective agencies and in view of the fact that this matter has been under interdepartmental consideration since August before this final draft has been written, it is hoped that there will be no further delay before it can be submitted to the National Security Council for final approval and issuance.
4. When issued in final form by the National Security Council, this will complete the National Security Council Intelligence Directives written to replace the former NSA Directives.
